2am i just can't sleep right
play the radio to get you off my mind
the scent of your colonge is on my pillow (pillow)
that i'm hugging tight i just want you by my side
what i'm feeling is real
baby boy what the deal yeah
i think i'm falling in love

CHORUS

huh huh oh whoa huh huh oh whoa
the way you making me feel inside
i wanna say
huh huh oh whoa huh huh oh whoa
i've never felt this way
oh you make me wanna say
oh whoa (x4)
oh whoa
oh you make me wanna say

call you up on your cell phone
i know it's late but
i just can't leave you alone
wanna know you feel the way
the way that i'm feeling baby
i just gotta know
baby tell me it's for sure (for sure)
so let's keep it real
i know you feel what i feel
oh i think we're falling in love

CHORUS

huh huh oh whoa huh huh oh whoa
the way you making me feel inside
i wanna say
huh huh oh whoa huh huh oh whoa
i've never felt this way
oh you make me wanna say
oh whoa (x4)
oh whoa
oh you make me wanna say

i know i always said

i'd never fall in love again
cause it hurt too much (hurt too much)
but this time
it's just too strong to ignore
your love's got me falling hard

CHORUS

huh huh oh whoa huh huh oh whoa
the way you making me feel inside
i wanna say (to you baby)

i've never felt this way
oh you make me wanna say
oh whoa (x4)
oh whoa
oh you make me wanna say

this is for the ladies
and this is for the players coming
listen to my story can you feel me whoa whoa
this is for the ladies
and this is for the players coming
listen to my story can you feel me whoa whoa

i wanna love you
shoobi doo bop my latina love
shoobi doo bop shoo doo bop
