Liana: I'm blindfolded on this carriage ride that they call
life

Alexa: Keep tryin' to make it through that next turn,
knuckles white and holdin tight

Liana: So here I go, takin' the curve.

Alexa: But I know that I'm never alone, I think of you

Both: And how you never let me go
I feel

Liana: Connected

Alexa: Connected

Liana: Protected

Alexa: Protected

Both: It's like your sitting right with me all the time

Liana: You hear me

Alexa: You hear me

Liana: Your near me

Alexa: Your near me

Both: And everything else gonna be alright

Liana: Cause nothing can break this

Alexa: nothing can break this

Both: Nothing can break this tie!

Connected, connected inside.

Alexa: It's not an accident the time we spent apart.

Liana: But now we're so close, I can always find you
right here in my heart.

Alexa: You've given me, something I need, and I don't
ever want it to end.

Liana: Because of you

Both: I know I've found my strength again.
I feel

Liana: Connected

Alexa: Connected

Liana: Protected

Connected, connected inside.
Every time, that I breathe, I can feel the energy,
Reachin' out, flowing through, you to me and me to
you.
Wake or dream, walk or stand, you are everywhere I
am.
Seprate souls, unified, touching at the speed of life.
Life. Oh, oh, oh!
I feel!
