*When i was young
I played for fun
Made up the words
Nobody heard
But now i see All eyes on
me
And suddenly I'm in a dream
I got a feeling now
Everything's right somehow
chrs. Here i am
Being who i want
Giving what i got
Never a doubt now
Here i go
Burnin' like a spark
Light up the dark again
*I'm steppin' up
Right to the top
That's how i'm wired
I take it higher
I'm in control
I broke the mold
The girl you see
Is up to me
I'm lifting off the ground
Finding the perfect sound
[chorus]
Again Again
Again and Again and Again
bridge: There's a star that right inside you
So come on and let it out
Find out what you're about and just shout
[chorus]*3
Again[*2]
Again and Again and Again and Again and Again
