It's so rare to find a friend like you
Somehow when you're around the sky is always blue
The way we talk
The things you say
The way you make it all okay
And how you know all of my jokes
But you laugh anyway

(Chorus)
If I could wish for one thing
I take a smile that you bring
Wherever you go in this world
I'll come long
Together we dream the same dream
Forever I'm here for you
You're here for me
oh woah oh Two voices one song

Now every day is something new
And any path we take I'm looking forward too
The way we try and never quit
The way that all the pieces fit
The way we know the parts by heart
And sing out loud

(Chorus)
If I could wish for one thing
I take a smile that you bring
Wherever you go in this world
I'll come long
Together we dream the same dream
Forever I'm here for you
You're here for me
(oh woah oh) Two voices one song

And anywhere you are
You know I'll be around
And when you call my name
I listen for the sound

(Chorus)
If I could wish for one thing

I take the smile that you bring
With you by my side I can go on
Now I have all that I need
And the sweetest sound will always be
Oh ooh oh two voices one song
Oh ooh oh two voices one song
Oh ooh oh two voices one song
