Intro.

I never felt this way before
I never thought I was capable
but here I am

Oh, you came so suddenly
And I didn't know what took over me
And what's unfair is...
Is that i'm here and you're there

I.

Tell me how you've been
want to see your face again
'cause I'm missing you

Oh it's been a while
last time my heart felt a smile
It's yearning for you

Honestly, your love completes me
completely

Chorus:

You are, you are
My light when there is only dark
you've been, you've been
the one I just can't be apart
with you, with you
I know I'll never feel alone
Someday, someday
I know we'll be together soon 'cause

Honestly, your love completes me
completely

II.

No one else can compare
time and time again you take me there
high above the clouds
when I don't hear your voice
my spirit's low I have choice
can't keep lying to myself

Honestly, your love completes me
completely

(chorus 2x)
