praragraph 1...

i standed up lookes around looked at all the people
surrounding
but i only noticed one it was the cutest boy ive ever
seen.

chorus..

I seen the cutest boy today he walked to me i walked to
him and all
i thought about is that there is magic in the air...

paragraph 2

he walks away walked to the store bought an apple and
through it
to me and then i knew that it meant something..

chorus..

i went home went to bed and i just couldnt get him off
of my head!..

chorus..

i see the cutest oy today we walked to me i walked to
him and all
i thought about is that there is magic in the air.....
