I'm a liquid mode, ready to explode  
You can't stop me, my oh ah baby  
I'm a cosmic queen, taking gipsy green  
With an A+ in retro diving  
I'm a midnight cat, with a flick-flash act  
I'm your poison, my oh ah baby  
I can brake the ground, to the ultra sound  
Do the can can on XP Island

I wanna love and take you there  
And show the magic you can share  
This is your island in the sun

Aqua playa  
Jiggin' desire  
Takin' all the night away  
Aqua playa  
Freakin' you higher  
Keep on livin' for the day  
And just be alive, be alive, be alive  
Face your fantasy  
And just be alive, be alive, be alive  
It's your destiny

I'm a rack attack, in a feedback shack  
You can't stop me, my oh ah baby  
I'm an overload, all the fuses blown  
No control and I'm peakin', peakin'

I'm gonna show you paradise  
You can have heaven in your eyes  
This is your island in the sun

Aqua playa  
Jiggin' desire  
Takin' all the night away  
Aqua playa  
Freakin' you higher  
Keep on livin' for the day  
And just be alive, be alive, be alive  
Face your fantasy

And just be alive, be alive, be alive  
It's your destiny

It's your destiny, it's your destiny  
You can't stop me, my oh ah baby

Aqua playa  
Jiggin' desire  
Takin' all the night away  
Aqua playa  
Freakin' you higher  
Keep on livin' for the day  
(Aqua playa, jiggin' desire)  
It's your destiny, it's your destiny  
You can't stop me, my oh ah baby  
(Aqua playa, freakin' you higher)  
It's your destiny, it's your destiny  
You can't stop me, my oh ah baby
