My friends keep saying that I need patience
Fools rush in, better slow down
They keep talking 'bout: good things come
But I don't wanna wait

My heart is aching, I'm not mistaken
The moment I saw you my whole world started to
change
You could be what I've been looking for
I come back for more and I want you to know

I wanna feel love, love, love
Lift me up to the sky
Oh give me love, love, love
Take me higher than high
I will show you heaven when I get you alone
I don't wanna wait anymore

You see right through me, can't hide it for you
You read my mind but I refuse to feel shame
It's not a crime to want love and more
It's happened before and I want you to know

I wanna feel love, love, love
Lift me up to the sky
Oh give me love, love, love
Take me higher than high
I will show you heaven when I get you alone
I don't wanna wait anymore

(Ohh) I'm waiting for a sign
(Ohh) That you made up your mind
(Ohh) Don't keep me hanging on forever
Don't waste another night
(Ohh) I don't wanna wait no more

(I wanna feel love, love, love)
(Lift me up to the sky)
Don't wanna wait!
(Oh give me love, love, love)
(Take me higher than high)

I will show you heaven when I get you alone
I don't wanna wait... (Don't wanna wait)

(I wanna feel love, love, love)
(Lift me up to the sky)
Oohhh...
(Oh give me love, love, love)
(Take me higher than high)
Give me love, give me love
I will show you heaven when I get you alone
I don't wanna wait anymore (Don't wanna wait)

(Love, love, love) Woahâ€¦
I don't wanna wait (love, love, love)
I don't wanna wait anymore (love, love, love)
(Love, love, love)
