Aaaaahhh

Tell me your destination
Could need some inspiration
Don't make too much of it now, let's not analyze
This is a game with no rules
I won't commit to "I do"
All I can say for sure is what will be will be

In tears of joy and a lack of sorrow (Lack of sorrow)
I live my life the way I planned

I am not a sinner nor a saint
Not that I would lose my head and faint
Everytime we touch, no
Am I forgiven
Livin' and lovin' my way
I am not a sinner nor a saint
You never gonna break my heart, I ain't
Gonna let it happen, no
Am I forgiven
Confessions are made in the name of myself

Am I a bad boy? Maybe
Am I a sad boy? Let's see
I can't remember crying since I was a child
Don't need no babysitter
No I'm not that bitter
I get my satisfaction every now and then

In tears of joy and a lack of sorrow (Lack of sorrow)
I live my life the way I planned

I am not a sinner nor a saint
Not that I would lose my head and faint
Everytime we touch, no
Am I forgiven
Livin' and lovin' my way
I am not a sinner nor a saint
You never gonna break my heart, I ain't
Gonna let it happen, no
Am I forgiven

Confessions are made in the name of myself
