(You better believe it)

I'm divided into pieces
The other half of me wants out
Still a part of me, just don't wanna see,
that I'm in a state of make-believe

You better believe it
Time to heal it
It's my destiny, is blind
It's bringing me down (It's bringing me... Down)
Yeah, down

You better receive it
Yes I mean it
I can trust what's on my mind
When it's bringing med down (It's bringing me... Down)
Yeah, down

I told myself there's something more than,
what I have from you today, yeah
I keep on wishing that you're love for me withdraw,
but you're loving reach the roof for me, I know

You better believe it
It's time to heal it
It's my destiny, is blind
It's bringing me down (It's bringing me... Down)
Yeah, down

You better receive it
Yes I mean it
I can trust what's on my mind
When it's bringing med down (It's bringing me... Down)
Yeah, down

Even though it's breaking my heart,
to realize that you and I are better off apart
There's nothing else I can do, than to lose you
I'm gonna miss you
I'm gonna miss you

You better believe it
It's time to heal it
It's my destiny, is blind
It's bringing me down (It's bringing me... Down)
Yeah, down
Oohh

You better receive it
Yes I mean it
I can trust what's on my mind
When it's bringing me down (It's bringing me... Down)
Yeah, down

You better believe it
(You better believe it)
