I'm not the girl I used to be  
Opened my eyes and I began to see  
This is my game, I'm in control  
Proud of my name, I can't defend my soul

Better start reading my lips  
When I'm telling you

Come on now!

It's my life and I do what I feel right  
Tell the boys that it's my life  
When I walk the night, woah  
It's my life, my decision  
I want you with provision  
It's my life when you hold me tight

Look in my eyes, what do you see  
Love can be right if you agree with me  
Don't be afraid, don't let this stop  
Look at this girl who's got her mind made up

Better start reading my lips  
When I'm telling you

It's my life and I do what I feel right  
Tell the boys that it's my life  
When I walk the night, woah  
It's my life, my decision  
I want you with provision  
It's my life when you hold me tight, woah

It's my life, it's my life, woah  
It's my life, it's my life, woah yeah  
It's my life, it's my life, woah

It's my life and I do what I feel right  
Tell the boys that it's my life  
When I walk the night

It's my life and I do what I feel right

Tell the boys that it's my life  
When I walk the night, woah  
It's my life, my decision  
I want you with provision  
It's my life when you hold me tight

It's my life, it's my life!
