Tell me what you like  
Tell me how you want it  
I'll make you satisfied  
We don't have much time  
When I see you moving  
Slowly across the floor  
My body feels the rhythm and I just want more

Feel the music  
Get the sound  
Check the beat  
Get down, down, down

When you move  
When you clap, clap  
Stomp  
And when you pop, pop  
When you move  
When you clap I go  
Eh, eh, eh oh, eh oh  
Move  
When you clap, clap  
Stomp  
And when you pop, pop  
When you move  
When you clap, clap  
Now stop!  
From the top

Come on, let's get down  
To the bottom of this  
It's not about your body or the way you kiss  
If you show me yours  
I show you mine  
There's no time for teasing if we were on tonight

Feel the music  
Get the sound  
Check the beat  
Get down, down, down

When you move  
When you clap, clap  
Stomp  
And when you pop, pop  
When you move  
When you clap I go  
Eh, eh, eh oh, eh oh  
Move  
When you clap, clap  
Stomp  
And when you pop, pop  
When you move  
When you clap, clap

To the left  
To the right  
Now front  
Show your back  
Walk it down  
Turn around and go  
Eh, eh, eh oh, eh oh

Move  
When you clap, clap  
Stomp  
And when you pop, pop  
When you move  
When you clap, clap  
(Dandy Andy and the funky nuns)

(Let's go)

When you move  
When you clap, clap  
Stomp  
And when you pop, pop  
When you move  
When you clap I go  
Eh, eh, eh oh, eh oh  
Move  
When you clap, clap  
Stomp  
And when you pop, pop  
When you move  
When you clap, clap

To the left  
To the right  
Now front  
Show your back  
Walk it down

Turn around and go  
Eh, eh, eh oh, eh oh

Move  
When you clap, clap  
Stomp  
And when you pop, pop  
When you move  
When you clap, clap  
(Baby, I'll be in a funky mood)

Now stop!
