It's only one thing I've got on my mind
It's in my veins and it makes me go wild
Hook up with me if you wanna get high
And I will give you the ride of your life
Come on and clap your hands
Come on and stamp your feet
Let's get it on till the beat

Just like a boomerang that's coming back to bang
Keep the floor, we going high and low
Feel the rhythm inside, let your body decide
Dance with me all through the night

Can't feel the vibe if the music get loud
Let's tell the DJ to turn up the sound
Move to the left, to the right and go round
And I freak out till they turn up the lights
Come on and clap your hands
Come on and stamp your feet
Let's get it on till the beat

Just like a boomerang that's coming back to bang
Keep the floor, we going high and low
Feel the rhythm inside, let your body decide
Dance with me all through the night

Just like a boomerang that's coming back to bang
Keep the floor, we going high and low
Feel the rhythm inside, let your body decide
Dance with me all through the night

Woohooowoohooo
Woohooowoohooo
Woohooowoohooo
Woohooo

Just like a...
Just like a boomerang that's coming back to bang
Keep the floor, we going high and low
Feel the rhythm inside, let your body decide
Dance with me all through the night

Just like a boomerang that's coming back to bang
Keep the floor, we going high and low
Feel the rhythm inside, let your body decide
Dance with me, shake with me
Sway with me all through the night
