Mhh

Cloak and dagger man, you're just like a toxic drug to me (aha)

Your tantalizing eyes start a fire in my blood, you see (aha)

And hey, I know I ought to break away

You're killing me tenderly, everytime you look at me  
Oh, it's so bittersweet baby, baby, don't you know what you do to me?

It's cracking my heart in two, just to come close to you  
And I can see it in your eyes, a thief of hearts in disguise

Trapped in your web and I don't wanna be released, oh no (aha)

Devoured by the game, feeling how the stakes increase, oh yeah (aha)

And hey, I know I ought to break away

You're killing me tenderly, everytime you look at me  
Oh, it's so bittersweet baby, baby, don't you know what you do to me?

It's cracking my heart in two, just to come close to you  
And I can see it in your eyes, a thief of hearts in disguise

And though reason tells me get out while you can  
But damn you, I want you to say:

(You're killing me tenderly) Tenderly!

(Everytime you look at me) Everytime!

Oh, it's so bittersweet baby, baby, don't you know what you do to me?

It's cracking my heart in two, just to come close to you  
And I can see it in your eyes, a thief of hearts in disguise

You're killing me tenderly!
