You said you'd love me for the rest of our days
But time has changed and so have we with it
Some broken promises and a few mistakes
I see no reason why you can't be mine
I see no reason, all we need is time

Sail away with me
And ride the waves across the ocean
Like it used to be
When we set our sails in motion
There's no time to say goodbye
We got to go before the tide
Leaves us on the shore
Like so many times before

Do you remember the games we played?
Those times were beautiful, why did it end?
If you still love me just take my hand
I see no reason why you can't be mine
I see no reason, babe it ain't no crime

Sail away with me
And ride the waves across the ocean
Like it used to be
When we set our sails in motion
There's no time to say goodbye
We got to go before the tide
Leaves us on the shore
Like so many times before

Before I go to sleep
I hope and pray you keep
Those words you gave to me
Don't be afraid, come on

And sail away with me

Sail away with me (far away)
And ride the waves across the ocean
Like it used to be
When we set our sails in motion

There's no time to say goodbye
We got to go before the tide
Leaves us on the shore
Like so many times before

(Sail away) Oooh woah oh
(Across the ocean)
Like it used to be
When we set our sails in motion
There's no time to say goodbye
We got to go before the tide
Leaves us on the shore
Like so many times before
