One step closer before the sun rise
Ya, ya remain say you hypnotized
I used to be a player, but now I'm not sure
Shake me up, baby
My love is so pure
But everytime you lip them lips I'm like woo
Saturday geted, if you ready to go
But everytime you shake those hips I'm like woo
One step closer to you that's for sure

I am the capital P with the rock waa
Do you see my eyes girlfriend on the waa
Don't you see my mansion mens with the yatch
Isn't it hot
Baby are you ready or not?

All eyes you
Than me
All eyes on me
Then you
So tell me baby girl
What you wanna do
I feel one step closer tonight

Ohh, ohh
One step closer to you
And I don't wanna stop
Can't get enough
Ohh, ohh
One step closer to you
Every minute we share
Is taking me there

(One step closer)

I wanna live my dreams filled with lies
I wanna read your thoughts when you out of sight
I wanna be around when it's cold at night
Never let you down and treat you right

All eyes you

Than me
All eyes on me
Then you
So tell me baby girl
What you wanna do

We can get to Manhattan or Milano to
Or we can fly my Concorde around the moon
And we can fix your pain in the afternoon
One, two, tree to the four
I'm one step closer
But girl I want more

Ohh, ohh
One step closer to you
And I don't wanna stop
Can't get enough
Ohh, ohh
One step closer to you
Every minute we share
Is taking me there

I got bling-bling over the Cadillac
I'll be back
Get you a heart attack

Go shorty
Why you got me
I want you so much now you're my destiny

One step closer to you
Can't get enough (One step closer)
One step closer to you
Now it's taking me there

Ohh, ohh
One step closer to you
And I don't wanna stop
Can't get enough
Ohh, ohh
One step closer to you
Every minute we share
Is taking me there

(One step closer)

Ohh, ohh
One step closer to you
And I don't wanna stop
Can't get enough
Ohh, ohh

One step closer to you
Every minute we share
Is taking me there

(One step closer)
