Aah
Aah-aah-aaah
Aah
Aah-aah-aaah

One more night
A pure delight
You feel the beat
It's rolling down the street

Wonder man
A boomerang
A midnight session
Down in wonderland

Last night (Last night)
It's in the air
And I swear (I swear)
It's everywhere

Soy tu venus
Por esta noche
Your private dancer
In the moonlight
A little disco
A little salsa
Can you feel the heat?

Daba-daba-daba-da-da
Daba-daba-daba-da-da

In the mood
High above
You're the champagne in the bar of love

Perfect match
Stolen heart
a vivid romance, with a perfect start

Last night (Last night)
It's in the air

And I swear (I swear)
It's everywhere

Soy tu venus
Por esta noche
Your private dancer
In the moonlight
A little disco
A little salsa
Can you feel the heat?

(Aah)
Speaking: Soy tu venus por esta noche
Tu bailarina bajo la luna
Un poco de disco, un poco de salsa
Puedes sentir mi calor?

Soy tu venus
Por esta noche
Your private dancer
In the moonlight
A little disco
A little salsa
Can you feel the heat?
