Now, now that you're gone
I see that I was blind
Now, now that you're gone I cry
Now, now that you're gone
My world's turning to stone
Now, now that you're gone I'm alone

So many nights
You would beg me to stay
So many times
I would leave anyway

I had love in the palm of my hand
Why didn't I understand?

Now, now that you're gone
I see that I was blind
Now, now that you're gone I cry
Now, now that you're gone
My world's turning to stone
Now, now that you're gone I'm alone

I should have seen
All the tears that you cried
I should have been
There to hold you at night

Now I know just what I should do
Now that you're gone I love you

Now, now that you're gone
I see that I was blind
Now, now that you're gone I cry
Now, now that you're gone
My world's turning to stone
Now, now that you're gone I'm alone

Now, now that you're gone
I see that I was blind
Now, now that you're gone I cry
Now, now that you're gone

My world's turning to stone
Now, now that you're gone I'm alone
