(O o oh)  
(Love so beautiful)  
(Aah)  
It's over, the curtain calls  
I have to move on, I need to be strong, I must let you go  
I've been crying, I haven't slept at all  
I've been wondering all those nights  
You've been away from home

Tell me what's wrong  
Tell me, have you met someone  
But that's all right  
If I can't make you stay

Seven days and seven nights  
(Aaah)  
A love so beautiful  
And we just let it die  
We could find a way back  
And learn how to stay alive  
As long as we ask for love

You've been lying, yeah, you've been untrue  
Been away one week without calling  
Broke my heart in two  
Still I miss you  
I'm about to break  
Every dream we shared, all the hopes we had, all our  
memories

Tell me what's wrong  
Tell me, have you met someone  
But that's all right  
If I can't make you stay

Seven days and seven nights  
(Aaah)  
A love so beautiful  
And we just let it die  
We could find a way back  
And learn how to stay alive

As long as we ask for love  
Seven days and seven nights

And we just let it die  
We could find a way back  
And learn how to stay alive  
Yes, we could find a way back  
And learn how to stay alive  
As long as we ask for love  
Seven days and seven nights  
And we just let it die  
Seven days and seven nights
