Knock you out, down to the floor
DJ's gonna hit it get ready for more
Knock you out, out of control
This beat is gonna take you to a T.K.O

Everybody get on up
I feel the bass don't you stop
This party's gonna make you sweat
Everybody place your bets
You won't be saved by the bell
This place is hotter than hell

Knock you out, down to the floor
DJ's gonna hit it get ready for more
Knock you out, out of control
This beat is gonna take you to a T.K.O

Get set ready to go
We're gonna rumble to the bone
Can't take your corners can't take the score
This groove is keeping you on the dance floor
You won't be saved by the bell
Pray you will live to tell

Knock you out, down to the floor
DJ's gonna hit it get ready for more
Knock you out, out of control
This beat is gonna take you to a T.K.O

You won't be saved by the bell
(T. K. O)
This place is hotter than hell
Pray you will live to tell

Knock you out, down to the floor
DJ's gonna hit it get ready for more
Knock you out, out of control
This beat is gonna take you to a T. KÅ.....

Knock you out, down to the floor
DJ's gonna hit it get ready for more

Knock you out, out of control
This beat is gonna take you to a T. K. O
