Want love, oh oh oh oh
We all need love, oh oh oh oh
We all want love, oh oh oh oh
Get it right in the heat of the night

Bass is thumping
Crowd is jumping
Shake your body, the beats keep on pumping
I'm excited
Candyguided
On the floor when we all dance united
Thunder rolls from the heavens above
When we enter the gates to the temple of love

Want love, oh oh oh oh
We all need love, oh oh oh oh
We all want love, oh oh oh oh
Get it right in the heat of the night
We all want love, oh oh oh oh
We all need love, oh oh oh oh
We all want love, oh oh oh oh
Get it right in the heat of the night

I'm on fire
Take me higher
Drown my heart in a pool of desire
Keep on shining
Intertwining
Feel aligned through the chemistry binding
Thunder rolls from the heavens above
When we enter the gates to the temple of love

Want love, oh oh oh oh
We all need, love oh oh oh oh
We all want love, oh oh oh oh
Get it right in the heat of the night

Walk the rope in the temple of sin
Keep an eye on the records I spin
Through the gates to the temple of love
Where the DJ comes crashing

From the heavens above

Want love, oh oh oh oh
We all need love, oh oh oh oh
We all want love, oh oh oh oh
Get it right in the heat of the night

Oh oh oh oh
Oh oh oh oh
Oh oh oh oh
In the heat of the night

We all want love, oh oh oh oh
We all need love, oh oh oh oh
We all want love, oh oh oh oh
Get it right in the heat of the night
