Love in the twenty first century
People can be what they wanna be
Anyway you want it (simple, exotic)
Anyway you want it (do as you please)
Love in the twent first century

Though we're living in a modern world
I still believe in (I still believe in)
Baby, maybe I'm a special girl
'Cause I'm looking for

A different kind of love
Not the ordinary one
I'm trying to find
A different kind of love
One that gives me what I want
I'm dying to find
A different kind of love

Love me the way love was meant to be
People living in harmony

Now I've told you what I'm all about
It's up to you now (it's up to you now)
Is it genuine or mess around?
'Cause I'm looking for

A different kind of love
Not the ordinary one
I'm trying to find
A different kind of love
One that gives me what I want
I'm dying to find
A different kind of love

One that can save me
That feels so good (that feels so good)
Lasts forever just for me and you

Different kind of love
Not the ordinary one

I'm trying to find
A different kind of love
One that gives me what I want
I'm dying to find
A different kind of love
