Here tonight
I show you what I believe in
And all the good in life you know
I want it all
I'm gonna sing my song
And no matter who's listening
So I will make my bow and then
I give it all

'Cause you're making me free
In the line of fire
And I stood the test of time
I walked the line
'Cause you're making me see
You take me higher
I am on my way tonight
I let it shine

Your diamond rings
You know they never impress me
And all the best I had in life
I got for free
I'd rather be myself
Than play someone else now
My heart will never let me down
I'm on my way

'Cause you're making me free
In the line of fire
And I stood the test of time
I walked the line
'Cause you're making me see
You take me higher
I am on my way tonight
I let it shine

Oh-oh, oh-oh
Shine

I am what I am
I will always be the same

I will keep on running
You do what you do
You can always see it through
You will keep on running

I am what I am
I will always be the same
I will keep on running
You do what you do
You can always see it through
You will keep on running

Making me free
In the line of fire
And I stood the test of time
I walked the line
'Cause you're making me see
You take me higher
I am on my way tonight
I let it shine
I am on my way tonight
I let it shine
