You might think that I am radical
But I can't go around pretending life is fine, no, no

Don't even miss when love was magical, no
So please don't bother buying me flowers
When you're gone, gone, gone, gone, gone

Baby goodbye, baby farewell
I don't wanna lie
Cause we can't stay together, my friend
This is the end
The picture is drawn
You're not even on
Because you're gone, gone, gone, hey!

I've never been the calm and quiet one
When people say that I am off the leash
I've not even begun, -gun, -gun

Baby goodbye, baby farewell
I don't wanna lie
Cause we can't stay together, my friend
This is the end
The picture is drawn
You're not even on
Because you're gone, gone, gone

I don't wanna see
I don't wanna know
I don't wanna hear
If you are alone
I'm feeling so free
Now that you're gone, gone, gone

Baby goodbye, baby farewell
I don't wanna lie
Cause we can't stay together, my friend
This is the end
The picture is drawn
You're not even on
Because you're gone, gone, gone

Baby goodbye, baby farewell
I don't wanna lie
Cause we can't stay together, my friend
This is the end
The picture is drawn
You're not even on

Baby goodbye, baby farewell
I don't wanna lie
Cause we can't stay together, my friend
This is the end
The picture is drawn
You're not even on
Because you're gone, gone, gone

Baby goodbye
