You kept me holding on
I'm always the last to know

Uhh, yeah

When I saw you out with her
I was torn in pieces
Felt like something died inside me
And I never find the words
Never know the reasons
I just put it all behind me

But before I go
I want you to know
Just how much I loved you

You kept me holding on
Now I can't let you go
So tell me where we went wrong
I'm always the last to know

After all the things we shared
All our times together
After all the nights you held me
If you really didn't care
If we're lost forever
(If we're lost forever)
Baby I thought you would tell me

How could I be blind?
Was it all a lie?
Did you ever love me?

You kept me holding on
Now I can't let you go
So tell me where we went wrong
I'm always the last to know

Uuhh, uuhh
The last to know

Will it ever turn out right
When our love was ending
Will I always be the last to know

You kept me holding on
Now I can't let you go
So tell me where we went wrong
I'm always the last to know

You kept me holding on
Now I can't let you go
So tell me where we went wrong
I'm always the last to know
