Ooh ooh, ooh ooh, ooh ooh  
Aah aah, aah aah  
Give me your love

I can be the one you love forever  
I can be the dream of your heart  
Every single moment  
I'm thinking of you  
I wish you felt the same way that I do

Give me your love, give me all of your love  
I'm the one for you  
Try to believe me I just wanna be  
There by your side  
Give me your love, give me all of your love  
When the morning comes  
I've waited tonight and it feels so right  
Give me your love

You can turn the winter into summer, oh yeah  
You can be my wonder every day, hm ooh  
Every time I see you  
I just wanna hold you  
I wished you felt the same way that I do

Give me your love, give me all of your love  
I'm the one for you  
Try to believe me I just wanna be  
There by your side  
Give me your love, give me all of your love  
When the morning comes  
I've waited tonight and it feels so right  
Give me your love

Sometimes I think that you're an angel  
And it's plain to see that you can rescue me  
Rescue me

Give me your love, give me all of your love  
I'm the one for you (I'm the one for you)  
Try to believe me I just wanna be  
There by your side

Give me your love, give me all of your love  
When the morning comes (Morning comes)  
I've waited tonight and it feels so right  
Give me your love
