I, I wonder where you are, ah  
Why, why did you have to go?  
I would give anything to you  
The love that we shared was all so true  
Wanna be by your side!

Iâ€™ll be the one, whoâ€™ll stand by your side  
Wanna be there to hold you whenever you cry  
My comfort will guide you and make you believe that  
Iâ€™ll be the one that you need  
Iâ€™ll be the one

I, I didnâ€™t need your lies, no  
Iâ€™ve tried to tell you one more time  
That I would give anything to you  
The love that we shared was all so true  
Wanna be by your side!

Iâ€™ll be the one, whoâ€™ll stand by your side  
Wanna be there to hold you whenever you cry  
My comfort will guide you and make you believe that  
Iâ€™ll be the one that you need  
Iâ€™ll be the one, Iâ€™ll be the one

My comfort will guide you and make you believe that  
Iâ€™ll be the one that you need  
Iâ€™ll be the one

Iâ€™ll be the one, whoâ€™ll stand by your side  
Wanna be there to hold you whenever you cry  
My comfort will guide you and make you believe that  
Iâ€™ll be the one that you need

Iâ€™ll be the one, whoâ€™ll stand by your side  
Wanna be there to hold you whenever you cry  
My comfort will guide you and make you believe that  
Iâ€™ll be the one that you need  
(The one that you need)  
Iâ€™ll be the one that you need  
Iâ€™ll be the one
