Ooooh!
Yeah!

Baby!
The first time I saw your smile
Made me dream of you all the time
I had to give in to what I was feeling inside
Inside!

Honey!
Whenever I am feeling blue (Oh!)
I just have to think about you (About you!)
It's simply magic, just everytime you're near
You're near!

Baby I can't stop, (stop) stop the feeling
That I get when I'm with you
Then I gotta stop, (stop) stop believing
The love we have is true
Baby, it's true

Never gonna' stop
Hey oh
Never gonna' stop

Baby!
The kind of love we have is the one (Oh)
You can hear in a Motown song (Oh)
It's always magic, just everytime that you're near
You're near!

Baby I can't stop, (stop) stop the feeling
That I get when I'm with you
Then I gotta stop, (stop) stop believing
The love we have is true
Baby, it's true

Never gonna' stop!
I never gonna' stop!
Never gonna' stop!
Oh, oh yeah!

Baby it's true!

(Baby I can't stop)

Oh yeah!

(Baby I can't stop)

Oh yeah!

Baby I can't stop, (stop) stop the feeling

That I get when I'm with you

Then I gotta stop, (stop) stop believing

The love we have is true

Baby I can't stop, (stop) stop the feeling

That I get when I'm with you

Then I gotta stop, (stop) stop believing

The love we have is true

Baby, it's true

Baby I can't stop!
