(Na na na na na na)
(Na na na na na na na)
(Na na na na na na)

Princes can be nice
If that's what you desire
And some girls like 'em hard to get
And some girls throw the dice
Any shape or size
Anywhere you like
Look around and you will see
It's a lovers paradise

But if you wanna a little taste of everything
When you're cooking in a pot
A bit of this, a bit of that
You know when you've got

A naughty, naughty, naughty boy
Watch him dancing on the floor
Up and down, it's all around
Hits you baby right on time
A naughty, naughty, naughty boy
Love you, tease you and adore
I guarantee that you'll enjoy
'Cause he's just a naughty boy

I'm not colour-blind
The way that I desire
Only one thing that I see
Is the twinkle in their eyes

But if you wanna a little taste of everything
And you like it when it's hot
A bit of this, a bit of that
You know when you've got

A naughty, naughty, naughty boy
Watch him dancing on the floor
Up and down, it's all around

Hits you baby right on time
A naughty, naughty, naughty boy
Love you, tease you and adore
I guarantee that you'll enjoy
'Cause he's just a naughty boy

(Na na na na na na na)
(Na na na na na na)
Uh
(Na na na na na na na)
(Na na na na na na)

'Cause if you wanna a little taste of everything
When you're cooking in a pot
A bit of this, a bit of that
You know when you've got

A naughty boy
(Naughty, naughty, naughty boy)
(Watch him dancing on the floor)
Up and down, it's all around
Hits you baby right on time
A naughty, naughty, naughty boy
Love you, tease you and adore
I guarantee that you'll enjoy
'Cause he's just a naughty boy
He's just a naughty boy
A naughty boy
