She's been sleeping in the subway
Walking on the highway
Counting all of the stars at night

She's twirling to a dead end
This broken hearted woman
And the search for a life

I don't know what it's like
To live on the other side

I, I can walk a thousand miles to be with you
I'll catch a falling star
I can walk a thousand miles whenever
No matter where you are
Cause I know you can make it
Why you've gotta break it baby?
Cause I'll walk a thousand miles

Ohhh no, yeah-eh!

She's coming out of mayday
The story's getting jaded
Nothing is what it used to me, no

No longing for tomorrow
It's only pain and sorrow
In the search for a dream

I don't know what it's like
To live on the other side

I, I can walk a thousand miles to be with you
I'll catch a falling star
I can walk a thousand miles whenever
No matter where you are
Cause I know you can make it
Why you've gotta break it baby?
Cause I'll walk a thousand miles

You don't know what it's like

To live on the other side

I, I can walk a thousand miles to be with you

I'll catch a falling star

I can walk a thousand miles whenever

No matter where you are

Cause I know you can make it

Why you gotta break it baby?

Cause I'll walk a thousand miles
