Words couldn't express what you mean to me  
You are my everything, baby  
A love like this should last forever  
C'mon baby let's stay together

Smile, makes me shine up like a glowing star  
Wash away all my sorrows  
I'm in love for the first time, baby (First time, baby)  
Everything seems to be so crazy

(Thinking 'bout you all the time)  
Oh baby yeah  
(You rock my world, day and night)  
Oh yeah, yeah

You are the sunshine of my life  
Wipe away my tears whenever I'm down  
I hope we'll be together  
And that our love will last forever

You are the sunshine of my life  
Wipe away my tears whenever I'm down  
I hope we'll be together  
And that our love will last forever

I, I can't breathe without you  
And I, I can't live without you  
All I want is all 'bout you (About you now)  
You're the only one in my heart

(You rock my world, day and night)  
Oh baby!

You are the sunshine of my life  
Wipe away my tears whenever I'm down  
I hope we'll be together  
And that our love will last forever (Oh baby)

You are the sunshine of my life (Oh)  
Wipe away my tears whenever I'm down  
I hope we'll be together

And that our love will last forever

Oh, oh, yeah  
Oh baby!

(You are the sunshine of my life)  
Oh, oh  
Wipe away my tears whenever I'm down  
(Baby)  
Oh yeah  
(And that our love will last forever)

You are the sunshine of my life  
Wipe away my tears whenever I'm down  
I hope we'll be together  
And that our love will last forever

Oh, oh  
Wipe away my tears whenever I'm down  
Oh yeah, oh baby yeah!  
You are the sunshine
