Look at me  
Walking alone in this beautiful weather  
Here I am  
Happy as can be  
Look at me  
Floating above as light as a feather  
Here I am  
Young, in love and free

I used to get by with a little help  
But now I make it on my own  
I can't deny, wasn't always easy  
I used to get by with a little help  
But now I make it on my own  
I can't deny, wasn't always easy

Look at her  
Curly red hair and beautiful eyes  
Here she is  
Glowing like the stars above  
She can be  
The future inspiration for the rest of my life  
Yes she is  
My muse, my love, my life

(Ratada)  
I used to get by with a little help  
But now I make it on my own  
I can't deny, wasn't always easy  
(Ratada)  
I used to get by with a little help  
But now I make it on my own  
I can't deny, wasn't always easy

There were times  
When I was regretful, I was disrespectful  
There were times in my life  
When I thought that I never would be someone like me  
today  
But people change  
I am what I am and I love life in so many ways

Oh

(Ratada)

I used to get by with a little help

But now I make it on my own

I can't deny, wasn't always

It wasn't, it wasn't easy

But now I make it

I can't deny

But now I make it on my own

(Ratada)

I used to get by with a little help

But now I make it on my own
