Oh yeah
Wow

Are you ready to rock, ready to rock 'n' roll?
Do you wanna have fun, are you ready to lose control?
'Cause tonight is the night, everything's alright
The heat is on and we'll rock 'til dawn
Yeah, ready to rock, ready to scream and shout
Wanna lose control, yeah I really wanna let it all out
There's no time to lose, baby me and you
We can make the whole world shake
There will never be another, never be another tonight
Alright

As if tomorrow will never come
As if tomorrow we will be gone
I wish I could make this moment last forever
Why bother whether it's right or wrong?
Pretend this night is the only one
As if tomorrow will never come

There's a party going on, baby let's celebrate
We have no time to lose, but you know it's never too
late
'Cause tonight is the night, everything's alright
The heat is on and we'll rock 'til dawn
There will never be another, never be another tonight
Oh yeah

As if tomorrow will never come
As if tomorrow we will be gone
I wish I could make this moment last forever
Why bother whether it's right or wrong?
Pretend this night is the only one
As if tomorrow will never come
Never come

As if tomorrow will never come
As if tomorrow we will be gone
I wish I could make this moment last forever
Why bother whether it's right or wrong?

Pretend this night is the only one
As if tomorrow will never come

Why bother whether it's right or wrong?
Pretend this night is the only one
As if tomorrow will never come
As if tomorrow will never come
