I ain't crushing down, I ain't gonna drown
I won't let you tear up these eyes
I'm just gonna move, whole new attitude
I won't miss you when you cross my mind
You're a fool if you think that my night's on the brink
I came here to get down
Looking fierce, looking slick
You can't play with this chick
DJ turn it up loud

I'll dance alone
Keep the music playing on
On and on
I'll dance alone
I can do it on my own
Yeah yeah yeah
I don't need you tonight
Got the girls on my side
And I'll be having the time of my life
So I'll keep the music playing on
I'll dance alone

Covered up by lights, breaking up the ice
With my hands up high, enjoying the ride
You're a fool if you think that my night's on the brink
I came here to get down
Looking fierce, looking slick
You can't play with this chick
DJ turn it up loud

I'll dance alone
Keep the music playing on
On and on
I'll dance alone
I can do it on my own
Yeah yeah yeah
I don't need you tonight
Got the girls on my side
And I'll be having the time of my life
So I'll keep the music playing on
I'll dance alone

I'll dance alone
I'm going strong
I'll dance alone
Don't stop the music
I'll dance alone
I'm going strong
I'll dance alone

(I'll dance alone)
(Keep the music playing on)
(On and on)
I'll dance alone
I can do it on my own
Yeah yeah yeah
I don't need you tonight
Got the girls on my side
And I'll be having the time of my life
So I'll keep the music playing on
I'll dance alone
