The battery runs on reserve  
It's getting all over my nerves  
The level that was once on green  
Is nowhere to be seen

I don't know how far we can go  
With everything down on the low  
Connected to a power source with nothing to reload  
Nothing to reload!

Disconnect me, unattach me  
We were never meant to be  
Disconnect me from your heartbeats now  
Disconnect me, unattach me  
I can't take it anymore  
Disconnect me from your heartbeats  
I'm on overload

I'm doing the best that I can  
To get back to where it began  
We're at the point of no return  
The only way is out

The longer I know what's going on  
We've been doing this thing for too long  
I'm running on an empty tank with nothing to reload  
Nothing to reload!

Disconnect me, unattach me  
We were never meant to be  
Disconnect me from your heartbeats now  
Disconnect me, unattach me  
I can't take it anymore  
Disconnect me from your heartbeats  
I'm on overload

Connected to a power source  
With nothing to reload  
Nothing to reload, nothing to reload

Yeah eh (Disconnect me, unattach me)

Yeah eh eh whoo! (We were never meant to be)  
(Disconnect me, from your heartbeats now)  
Disconnect me, unattach me  
I can't take it anymore  
Disconnect me from your heartbeats  
I'm on overload

(Disconnect me, unattach me) Oh oh  
From your heart  
(Disconnect me, unattach me) Yeah eh whoo!  
Disconnect me, unattach me  
I can't take it anymore  
Disconnect me from your heartbeats  
I'm on overload
