I've got a room here at the Mandalay bay
I'll take a shower then I'm on my way
I'll bring a friend if someone picks a fight
Here in Las Vegas tonight
It's close to midnight when I hit the strip
The maiden voyage on my Vegas trip
The night is young and everything's alright
Here in Las Vegas tonight

Dancing girls and cabarets
You can spend your money in a million ways
Let's have a ball
The winner takes it all

In Las Vegas
In the neon lights
You'll be a star if you do it right
In Las Vegas
Oh oh oh
You better hold on tight
In Las Vegas
Can't believe your eyes
Your luck can turn in a throw of a dice
In Las Vegas
Oh oh oh
You better hold on tight
Here in Las Vegas tonight

I'm leaving with a million dollar smile
The hotel manager can check my file
Fred the Limo-driver's asking polite
- Leaving Las Vegas tonight?

Dancing girls and cabarets
You can spend your money in a million ways
Let's have a ball
The winner takes it all

In Las Vegas
In the neon lights
You'll be a star if you do it right

In Las Vegas
Oh oh oh
You better hold on tight

Hey, yeah yeah
(In Las Vegas)
In Las Vegas

In Las Vegas
In the neon lights
You'll be a star if you do it right
(In Las Vegas)
Oh oh oh
You better hold on tight
In Las Vegas
Can't believe your eyes
Your luck can turn in a throw of a dice
In Las Vegas
Oh oh oh
You better hold on tight
Here in Las Vegas tonight
