It's a symphony of love and faith
And I pray to God I'm not too late to get back
In your mind
Is the message that's concealed with it
A melody without a ? that I see
To wake you up

And in times when we're all in need
We hate the hatred that we feel so much
Ahh

Of all the things I ever seen
There's only one thing I can bring
That's love, that's love
Wherever I decide to go
That's only one thing in my soul
That's love, that's love

That's the tragedy we all agreed
That show when you sympathy for those
Living in greed

And In times when we're all in need
We hate the hatred that we feel so much
Ahh

Of all the things I ever seen
There's only one thing I can bring
That's love, that's love
Wherever I decide to go
That's only one thing in my soul
That's love, that's love

It took me sometime to see it
It took me no time to feel it
But now I know what's going on
Ahh

Of all the things I ever seen
There's only one thing I can bring
That's love, that's love

Wherever I decide to go
That's only one thing in my soul
That's love, that's love

Of all the things I ever seen
There's only one thing I can bring
That's love, (there's only one thing I can bring) that's
love

Wherever I decide to go
That's only one thing in my soul
That's only one thing in my soul
That's love, that's love
