Tick tick tock, tick tock, that's the sound of my bomb
Tick tock, tick, tick tock, don't stop

You have been chained to me
For all eternity

I can't wait until I hold you in my arms again
Lock you in my heart, throw away the key and then
Feed the fire, burnin' and consumin' me
Blood is racin' through my veins, set me free

I'm such a fool
To think that I can live without you
You drive me crazy

Don't wait, just go
Don't hesitate
This bomb keeps tick, tick, tickin' away
The race is on
I am exploding
(Put out this fire)

Surrender now
Don't make me wait
This moment's tick, tick, tickin' away
You're chained to me
For all eternity

Tick tick tock, tick tock, that's the sound of my bomb
Tick tock, tick, tick tock, don't stop

Am I a sinner or a saint just for wanting you
You're like poison in my veins but no one else will do
Tainted love, like a viper I will bide my time
By the shadows, in the yard, I will make you mine

Never a deal when you slipped through my hands
I control the very soul of you
You drive me crazy

Don't wait, just go

Don't hesitate
This bomb keeps tick, tick, tickin' away
The race is on
I am exploding
(Put out this fire)

Surrender now
Don't make me wait
This moment's tick, tick, tickin' away
And now you see
Truth will set you free

My blood for you
Your blood for me
This lovin' me
It's hard to me
I know your heart
It's lonely too

Ooooooh
I'm such a fool
You drive me crazy

Don't wait, just go
Don't hesitate
This bomb keeps tick, tick, tickin' away
The race is on
I am exploding
(Put out this fire)

But thanks for makin' close to you
I can't help it, it's what I do, yeah
Don't wait, just go
Out of control
I will explode
