I'm heated up  
You've got me spinning and I can't cool down  
Caught me, in your spell  
Lifted up, I'm on a higher ground  
He's got it going on  
Mmm, like I need, no, she will knock you down  
Story goes, stop and listen to a fool knows

You can call me a little bit crazy  
Trying to make you a part of my destiny  
Ending up with a women in every man dreams

She's magical, an angel from the sky  
Burning like a spanish fire fly  
Impossible just not to fall in love  
But she's mine  
(La chica de la copa)

Knock me out, took me by surprise  
Dancing like a devil in disguise  
Impossible not to fall in love  
But she's mine  
She's mine  
(La chica de la copa)

Falling down  
Without a notice I was swept away  
Her dance goes deep and nice  
Mmm, that goes togheter with a perfect smile

You can call me a little bit crazy  
Trying to make you a part of my destiny  
In the end she will only be dancing with me

She's magical, an angel from the sky  
Burning like a spanish fire fly  
Impossible just not to fall in love  
But she's mine  
(La chica de la copa)

Knock me out, took me by surprise

Dancing like a devil in disguise  
Impossible not to fall in love  
But she's mine  
She's mine  
(La chica de la copa)

(She's magical, an angel from the sky) From the sky  
(Burning like a spanish fire fly) I'm telling you  
Impossible just not to fall in love  
(La chica de la copa)

Like an angel she was magical  
(Knock me out, took me by surprise)  
(Dancing like a devil in disguise)  
Impossible just not to fall in love  
But she's mine  
She's mine  
She's mine  
(La chica de la copa)
