(Mm, yeah)

I?ve been down, I?ve been hurt
I?ve been lost, I?ve been weak
My emotions have been out of reach
When I thought everything was okey
I was wrong I have to runaway
Bye bye baby, goodbye

I?m gonna run run runaway
Follow my heart
I?m gonna run run runaway
A brand new start
I can feel for the first time
I?m gonna run run runaway

(Mm, hoo)

I can love, I can feel
I can breath, I can see
So alive I?ve never felt so free
I am stronger than ever before
Now I?m gone so you can close the door
Bye bye baby, goodbye

I?m gonna run run runaway
Follow my heart
I?m gonna run run runaway
A brand new start
I can feel for the first time
I?m gonna run run runaway

I?m gonna run run runaway
Follow my heart
I?m gonna run run runaway
A brand new start
I can feel for the first time
I?m gonna run run runaway

It doesn?t matter where life will take me
I?m going with the flow higher than higher

It doesn't matter if luck will forsake me
I'm gonna runaway
I'm gonna runaway

Run run runaway
Follow my heart
I'm gonna run run runaway
A brand new start
I can feel for the first time
I'm gonna run run runaway

I'm gonna run run runaway
Follow my heart
I'm gonna run run runaway
A brand new start
I can feel for the first time
I'm gonna run run runaway

I can feel for the first time
I'm gonna run run run away
