My sweet baby

My number one
And girl that's how ??
I don't know why
But things got complicated
The simplest thing in life came
And turned into ??
But we must try
'Cause there are good things along the way
Just look out for a better day

Tell me
Why, I wonder why
We just can't get along
My baby
Try, I wanna try
'Cause you're my number one
Yeah
I know why you feel how you feel
But this time I know it's for real
Try, I wanna try
'Cause you're my number one
Yeah
My baby

I'm still convinced
That we can make it right
So don't give up
And girl, just hold on tight
Time will tell
I know, I'll do my best
This we must try
'Cause there are good things along the way
Just look out for a better day

Tell me
Why, I wonder why
We just can't get along
My baby
Try, I wanna try

'Cause you're my number one
Girl
I know why you feel how you feel
But this time I know it's for real
Try, I wanna try
'Cause you're my number one
Yeah
You're my number one
Come on

Oh my darling
Don't be afraid
'Cause you're my number one

Why, I wonder why
We just can't get along
My baby
Try, I wanna try
'Cause you're my number one
Girl
I know why you feel how you feel
But this time I know it's for real
Try, I wanna try
'Cause you're my number one
Yeah
Try, I wanna try
'Cause you're my number one
