Whatcha gonna do if he comes right up to you
Wishful thinking, it's up to me, I know it is
No, I'm no superlady and I don't have no game
whatsoever
I put my high heels on and see how that goes, yeah
I just gotta let you know, gotta come closer and say

Honey listen, I'm a sucker for love
My heart's been pounding for you
Just come on over
I don't think I can wait any longer
Let me tell you how I want it
I can't handle this fever
Just a sucker for love, baby
And you better believe it
Yeah, yeah

One and a two and a three and a four

So baby we can boogie, maybe ask me for a slow jam,
yeah
No need to ask me twice, I'm so into you, I'm already so
into you
Flower shower's over me, chained but so unchained
I got to let you know, gotta come closer and say

Honey listen, I'm a sucker for love
My heart's been pounding for you
Just come on over
I don't think I can wait any longer
Let me tell you how I want it
I can't handle this fever
Just a sucker for love, baby
And you better believe it

Honey listen, I'm a sucker for love
My heart's been pounding for you
Just come on over babe
I don't think I can wait any longer
Let me tell you how I want it
I can't handle this fever

Just a sucker for love, baby
And you better believe it

Now I got you, babe
Yeah
Now I got you, babe
Yeah

I'm a sucker for love
I'm a sucker for love
I'm a sucker for love
Just a sucker for love

Honey listen, I'm a sucker for love
My heart's been pounding for you
Just come on over
I don't think I can wait any longer
Let me tell you how I want it
I can't handle this fever
Just sucker for love, baby

Honey listen, I'm a sucker for love
My heart's been pounding for you
Come on over now
I don't think I can wait any longer
Just let me tell you
I can't handle this fever
I'm a sucker babe
And you better believe it

I'm a sucker for love
I'm a sucker for love
Just a sucker for love
