Now I know
Yes it's here I belong
By your side in your arms
You are my destiny
You are my life
Shining so bright

All my love I give to you
All I do I do for you
I'm in love
Baby, I'm in love
Every day and every night
Always till the end of time
I'm in love
Baby, I'm in love

Now it's time
I have made up my mind
No more reasons to cry
Lovin' you endlessly
You are my life
Shining so bright

All my love I give to you
All I do I do for you
I'm in love
Baby, I'm in love
Every day and every night
Always till the end of time
I'm in love
Baby, I'm in love

Yes, from the start
You reach so deep into my heart
How could I live without you
I want you, I need you forever
I give you

All my love I give to you
All I do I do for you
I'm in love

Baby, I'm in love
Every day and every night
Always till the end of time
I'm in love
Baby, I'm in love

(All my love I give to you)
All I do I do for you
I'm in love
Baby, I'm in love
Baby, I'm in love
