Ooohh
Hey
Ooohh
Oh yeah

Here I am
In front of you
My arms are open wide and filled with devotion
For life
Come with me on a free ride, yeah
Not gonna waste
A single day
I'm gonna give in to my every emotion
So true
You also got it in you
Yeah

Don't wait any longer
Get ready to fly

We can turn this love around
Take you to a higher ground
The world is spinning upside down
And round and round and round
Come on let me show you how
Forever starting here and now
Together is the only way
We can climb
To a higher ground

So don't give up
And don't you stop
Just keep on moving with this new locomotion
Of love
And it'll make your soul rise above
Oh yeah

And when heart's beating stronger
You get wings to fly

We can turn this love around

Take you to a higher ground
The world is spinning upside down
And round and round and round
Come on let me show you how
Forever starting here and now
Together is the only way
We can climb
To a higher ground

Reach higher ground
Yeah, yeah

(We can turn this love around)
(Take you to a higher ground)
Take you to a higher ground
(The world is spinning upside down)
The world is spinning upside down
And round and round and round
Come on let me show you how
Forever starting here and now
Together is the only way
We can climb
To a higher ground
