I can see it in your eyes  
I can see it in your face  
I could feel it when we touched  
It used to mean so much  
But now it's gone away

We were young and dreams were new  
And every word we said was true  
Any mountain we could climb  
You made me feel alive  
The first time in my life

Yes, I remember love  
So beautiful  
Now I know my heart is breakable  
'Cause I remember love  
The true meaning of  
I remember, I remember love

Though the years have come and gone  
Oh, and by now we've both moved on  
I admit that there are nights  
When I wonder why  
Why we said goodbye

'Cause I remember love  
So beautiful  
Now I know my heart is breakable  
'Cause I remember love  
The true meaning of  
I remember, I remember love

Oh, I've been losing faith each time I fall  
But I still believe love conquers all

'Cause I remember love  
(So beautiful)  
Now I know my heart is breakable  
'Cause I remember love  
The true meaning of  
(I remember, I remember love)

Yes, I remember, I remember love  
Now I know my heart is breakable  
When we see your face, as I hear your voice  
I remember, I remember love
