Dreaming, hoping, for another try
I've been looking, searching, deeper down inside
And if I loose my way, I'll find another road
Cause I can make a change on my own

I'm moving on
And I'm gonna get stronger now
And nothing will break me down
I will not give in to doubt
Those days are gone
I can be who I wanna be
And start living my life for me
I believe it finally
I'm moving on

Something, somewhere, that I long to find
I am learning, slowly, one day at a time
That if I loose and fail, I'll be fine

I'm moving on
And I'm gonna get stronger now
And nothing will break me down
I will not give in to doubt
Those days are gone
I can be who I wanna be
And start living my life for me
I believe it finally
I'm moving on

(I am moving) To a brighter dawn
(I am moving) Gotta take the fight
(I am moving) I can make it right
(I can make it right)

I'm moving on
Nothing will break me down
I will not give in to doubt
Those days are gone
I can be who I wanna be
And start living my life for me
I believe it finally

I'm moving on
(I am moving)
Yes I'm moving on
(I am moving)
I'm moving on
