"Swingfly - Me and My Drum"

Visit "[Swingfly - Me and My Drum](#)" on MotoLyrics.com

Yeah, let's go! Yeah!

Some people call it their rhythm, I call it the drum
'Cause I beat it down once in a while, like it got slow or
somethin'

She wanna hold some, I told her to roll some
She said I'm cold-frontin', no no no: go-stunting

I know my A's, I know my B's, I know my C-D-E's
My F, my G's, all the way down to Z's
Hey, that's why it's rhymes like these
Because me and my drum, closer than twin siamese

Yo, I got that boom-chicka-boom-chicka-boom-boom-
boom
That'll zoom-zoom-zoom and how you boom-boom-
boom
I got that boom-chicka-boom-chicka-boom-boom-boom
That'll zoom-zoom-zoom and how you boom-boom-
boom

I'm gonna stand till I get there
I'm gonna get there, me and my drum
Just give me a chance, I'm gonna stay there
I ain't going nowhere, me and my drum
Me and my drum

Yo, I could shake it up a little bit, show you how I fiddle
it
Take you to another place and then you feel my bass
kick
Boom-boom, now take it easy you're gonna break
something
Boom-boom, ok mama, I think you broke something

You could call me show-stopper, go-popper, flow-
popper
Drama, drama, drama, drama, drama like a soap
opera
So when the beat knocks, street rocks, you might need
some detox

Get ready for my beatbox

Boom-chicka-boom-chicka-boom-boom-boom
That'll zoom-zoom-zoom and how you boom-boom-boom
I got that boom-chicka-boom-chicka-boom-boom-boom
That'll zoom-zoom-zoom and how you boom-boom-boom

I'm gonna stand till I get there
I'm gonna get there, me and my drum
Just give me a chance, I'm gonna stay there
I ain't going nowhere, me and my drum
Me and my drum, me and my drum
Me and my drum, me and my drum

Check out my drum
Check out my drum, my drum is dumb
My drum is numb, I think you all want some
Hot like a fresh-baked bun
It's hot like the sun, hot like a smokin' gun

I'm gonna stand 'till I get there
I'm gonna get there, me and my drum
Just give me a chance, I'm gonna stay there
I ain't going nowhere, me and my drum
Me and my drum, me and my drum
Me and my drum, me and my drum
Me and my drum
