Makes the dance look cookin'
Makes the hot girls lookin'
And he couldn't tell you how
Everybody get's up raise their hands
There's a party and it's startin' right now

They call him The King of moonlight, The King of
dreams
They call him The King of hearts, that's why they
scream
The way that he dances yeah, the way he moves his
feet
That's why the girls call him The King
He's The King

See the way he's walkin'
Makes them girls stop talkin'
All them brothers asking why
He can make the ladies lose their minds
Never needs a second try
And so they cry, and so they cry

They call him The King of moonlight, The King of
dreams
They call him The King of hearts, that's why they
scream
The way that he dances yeah, the way he moves his
feet
That's why the girls call him
The King of moonlight, The King of dreams
They call him The King of hearts, that's why they
scream
They call him The King
He's The King
He's The King
He's The King

They call him The King of moonlight, The King of
dreams
They call him The King of hearts, that's why they
scream

The way that he dances yeah, the way he moves his
feet
That's why the girls call him
The King of moonlight, The King of dreams
They call him The King of hearts, that's why they
scream
The way that he dances yeah, the way he moves his
feet
That's why the girls call him The King
That's why the girls call him The King
He's The King
He's The King
He's The King
