It all comes over me
I'd really like to see
Why did you have to go
I need to know
I miss you so

If I could turn back time
I would have changed your mind
I'd never let you go
I love you so
But still I know

What difference does it make if I still want you (ooh)
When I know for sure that I can't make you mine, ooh
What difference does it make if I still need you (ooh)
When we already have waved our last goodbye,
goodbye
Goodbye

How was I to know
When you said you loved me so
It all was make believe
I try to see
Is it up to me

What difference does it make if I still want you (ooh)
When I know for sure that I can't make you mine, ooh
What difference does it make if I still need you (ooh)
When we already have waved our last goodbye,
goodbye,
Goodbye, goodbye, goodbye, goodbye

Ooh yeah

I tried to see
Is it up to me

What difference does it make if I still want you (ooh)
When I know for sure that I can't make you mine, ooh
What difference does it make if I still need you (ooh)
When we already have waved our last goodbye,
goodbye

Goodbye

What difference does it make if I still want you (ooh)
When I know for sure that I can't make you mine, ooh
What difference does it make if I still need you (ooh)
When we already have waved our last goodbye,
goodbye
Goodbye, goodbye, goodbye, goodbye
