Hey, yeah
Oh woah

Got the fire
Got desire
Won't fight it any longer
Can you see it?
Can you feel it?
And it's coming out stronger

(Haiyayeh)
I'm lost into loving you
(Haiyayeh)
Go, go, go

Mi amore-more-more
Take my heart, take my hand
Amore-more-more
Our love will never end
Fly away with me my angel
From heaven sent
Amore-more-more
Take my heart, mi amore

Oh, mi amore
Mi amore

When you kiss me
When you hold me
When you calling me baby
Babe you twist me
Babe you turn me
And it's making me crazy

(Haiyayeh)
I'm lost into loving you
(Haiyayeh)
Go, go, go

Mi amore-more-more
Take my heart, take my hand

Amore-more-more
Our love will never end
Fly away with me my angel
From heaven sent
Amore-more-more
Take my heart, mi amore

(Go, go, go)
Yeah
(Go, go, go)
(Go, go, go)
Ohh

Hey, yeah
Walk with me
Come with me
Take me away

(Mi amore-more-more)
Take my heart, take my hand
(Amore-more-more)
Our love will never end
Fly away with me my angel
From heaven sent
Amore-more-more
Take my heart

(Mi amore-more-more)
(Take my heart, take my hand)
Take my heart
(Amore-more-more)
Our love will never end
Fly away with me my angel
From heaven sent
Amore-more-more
Take my heart, mi amore
